Date: 10/03/2026

Dear Parents,

As the academic year is coming to an end, all students are advised to make effective use of this time for revision and exam preparation. Regular examinations will commence on 13th March, 2026 as per the previously issued examination schedule. Parents are also requested to ensure that children utilize their time productively and come well prepared for the examinations.

The following guidelines are to be noted and adhered to as the examinations commence -

1. Thursday, 12 March will be observed as a Study Holiday for students in preparation for the upcoming examinations.
2. All pending fees must be cleared prior to the commencement of the examination. Students are required to procure their hall tickets from their respective class teachers after settling the dues.
3. On the days of examination, students must be present in school from 9:00 a.m. until the completion of the examination each day. The specific dates and timings are clearly indicated in the Annual Examination Timetable.
4. Students will not be permitted to leave the school in the middle of an examination. However, in the case of illness or any unavoidable circumstance requiring the child to be taken home, parents will be informed by the school, and the child may then be collected accordingly.

Let us work together to instil patience, discipline, and proper examination hall etiquette in our children by adhering to these guidelines.

Thank you,

Dr. Annamma George
Principal
