Date: **11/06/2024**

Dear Parents,

The Hindu is launching a students' edition of the newspaper,

1. **"The Hindu In School"**, curated exclusively for 11 – 15-year-old students (classes VI – X).

Being an offering from the Hindu Group, the newspaper guarantees content that is both authentic and balanced. The newspaper provides quality content by bridging classroom learning with the real world with its unique content mix such as current affairs, the special sections on health, technology, literature, environment, history and sports which ensures that the readers grow holistically with a seamless connection between textbook and the real world.

The newspaper will be available *on all the working days* of the school and the copies will be delivered in school and the teachers of the respective classes will distribute the same to the students in class.

The subscription amount specified from **July – February is Rs. 390/-/- per student per year.**

2. **'Young World' for classes I – V**

The young World is a fun filled 16-page tabloid for bright young minds and is printed in attractive glazed newsprint, releases every Friday. It offers an interesting blend of education and entertainment (edutainment). It covers sections such as movies, music, sports, games, puzzles, cooking workshops, science and much more.

The subscription amount specified from **July – February is Rs. 270/- per student per year**

Interested students may subscribe by the payment of the fee to their respective class teachers on or before 20th June, 2024. This would be a good initiative to enhance the reading skills among the students and since the newspaper is one's personal copy, they can read it at their own convenience. Parents are also requested to encourage their wards for the development of their reading skills through this initiative.

Thank you,

PRINCIPAL
