Dear Parents,

It has been observed that the number of lunch boxes being delivered after the school day has commenced has been increasing lately, and often causes confusion due to the missing or incorrect labels, and unfamiliarity with class and section by the person delivering it.

We kindly request that you send your child's lunch with them in the morning to avoid disruptions to the class and daily office workflow.

Your cooperation will help ensure a smoother and more organized day for everyone.

Thank you for your understanding and continued support.
