*Dear Parents,*

Owing to the various changes happening around us, generation gap, concerns of social, emotional, and psychological factors, academic and educational pressures, family dynamics and the like, it is difficult to assess whether we are all on the right track of parenting. To aid the parents of today, the School is arranging a session exclusively for parents of classes KG to XII on session on Effective Parenting – **‘Effective Parenting: Building a Strong Foundation for Your Child's Success’** at School on **11/09/2024, Wednesday, from 10:00 am to 12:00 pm.**

Effective parenting is a lifelong journey that requires dedication, patience, and love. It involves creating a nurturing environment where your child can grow, learn, and thrive.

This interactive session aims to equip you with practical strategies and expert advice to support your child's emotional, social, and academic growth.

We look forward to your presence and active participation.
