Subject: Lifology Career Clinic (LCC) – Empowering Students for a Bright Future

Dear Parents,

We are excited to announce a unique opportunity for our students to gain invaluable insights into their future career paths. Our school is partnering with Lifology, the global leader in career guidance, to offer the **Lifology Career Clinic (LCC)** - a specialized workshop designed to help students from grades 9 to 12 effectively plan and navigate their career journeys.

About the Lifology Career Clinic (LCC)

The LCC is a three-hour, offline workshop that integrates human expertise with sophisticated AI technology to provide tailored career guidance. Developed by internationally recognized experts from the USA, UK, Australia, India, and the Middle East, this clinic is the result of five years of extensive research. It aims to equip our students with the tools to identify their passions, understand their personality traits, and explore a vast landscape of career opportunities.

Workshop Format

- **Pre-Assessment:** Students will complete two psychometric assessments focusing on personality and intelligence orientation before attending the workshop.
- **Interactive Session:** A single, engaging three-hour session at our school, filled with activities designed to be both fun and educational.

What Your Child Will Gain

- A comprehensive career plan detailing potential career paths, necessary academic courses, and appropriate universities.
- Enhanced self-awareness impacting academic performance and personal growth.
- Clarity about their future, boosting their confidence, focus, and strategic thinking abilities.

Who Should Attend?

This workshop is specifically tailored for students in grades 9 through 12, with content customized to meet the developmental needs of each age group.

Science Behind the Workshop

The LCC utilizes the Lifology Career Planning Model, which incorporates the 3P approach (Passion, Personality, Possibilities) and the Cognitive Information Processing model to ensure that every student can find a career path that aligns perfectly with their interests and strengths.

Benefits for Students

- Access to elevated and high-quality career counselling services.
- Empowered to make informed decisions about future education and career paths.
- Enhanced motivation and engagement through structured career guidance programs.
- Aligned with the National Education Policy (NEP), fostering a holistic and integrated approach to career readiness.

Registration Details

Interested students are encouraged to register for this transformative program by contacting the school at the earliest.

If interested, the names may be given to the class teachers on Monday, 16 December, 2024, and the link will be sent to those students for the further.

Seats are limited and will be allotted on a first-come, first-served basis. There is a registration fee of ₹150 per student, which should be submitted to the school office at the time of registration.

Don't miss this opportunity to set your child on the path to a bright and successful future!

Warm regards,
Team Lifology
