

LOVE DALE RESIDENTIAL SCHOOL

(Senior Secondary)

(Affiliated to CBSE New Delhi-Affiliation No. 930448)

Ref: LDR/PRNT-CIRC/67/2024-25

Date: 3/02/2025

Dear Parents,

The Primary Health Centre, Manamboor will be conducting a Td (Tetanus-Diphtheria) injection drive at school on **10/02/2025 after 11:00 am.**

- The Td injection is administered to children who have completed 10 and 15 years of age.
- Please inform your child's Class Teacher about your child's Td injection status at your earliest convenience.
- In addition, kindly send the consent form duly filled and signed by the parents in case you wish to have your child administered with the Td injection.

Clarifications :

1. If a child has completed 10 years of age, the Td injection meant for 10 years of age will be administered.
2. Children of ages 11 to 14 also may be administered the injection meant for age 10 in case the same was not administered earlier.
3. If a child has taken the vaccination (meant for age 10) at the age of 11, the child may take the next dosage upon completion of 15 years of age.
4. If a child is of the age 15 and has not had Td injection, the Td injection meant for 10 years of age will be administered
5. If a child is 17 or above the Td injection meant for age 15 will be administered (irrespective of whether the child has received the injection meant for age 10).
6. **In case the parent requires any further clarification, the parent may come to school on 10/02/2025 after 11:00 am and enquire directly with the staff of Manamboor PHC. In this case please remember, the school is only a venue for administering the injection. The parent may take the final decision on the need for their respective children to have the vaccine administered.**
7. If you feel it is important to accompany your child for the vaccination, you may do so, and may come to school after 11:00 am for the same.
8. After the vaccination, if you would like to take your child back home, it may be permitted.
