General points

- Each item requires a minimum of 50 students.
- If the strength of students in any item is less than 40, the item may be cancelled.**
- Fee for the chosen activity has to be paid before **15.06.2025**.

Students can select any **ONE** of the following items and put tick (✓) against the item.

Activity once selected cannot be changed in between the academic year.

NB : 1. Day and timing may change according to the convenience of the school.

Fee must be paid along with the consent form. Filled in form must be given to the class teacher before 15.06.2025.

- All students must compulsorily opt for at least one of the activities specified above to comply with the need for skill development and the overall development of the child.**
- Archery and Self-defense activities are available only for students from classes III to VIII .**
- It's recommended that students maintain consistency in CCA activities across academic years, so that they develop a passion, and a long term interest towards a particular activity thereby gaining mastery in the activity.**
