**Dear Parents,**

**As we celebrate the 79th Independence Day on the 15th of August, 2025, let us take pride in the remarkable achievements of our nation across diverse fields.**

Celebrating this day with our children not only instil a deep sense of patriotism but also nurtures the rich cultural and moral values that define our Indian heritage. It fosters a strong sense of national pride and belonging, helping children grow into responsible and value-driven citizens.

Such celebrations also serve as a powerful form of *experiential learning*—where values, history, and education are seamlessly woven into experiences, shaping young minds in meaningful ways.

Kindly note that Independence Day program will be conducted from **8:30 am to 11:00 am** on 15 August, 2025. **Buses will leave the campus after the program at 11:15 am.**

The first child boarding the bus need to be present **40 minutes** prior to the regular timing at the boarding point and the others can be prepared accordingly at their respective boarding points.

**Thank you,**

**PRINCIPAL**

**NB:**

*\*parents may contact the vehicle staff in case of any queries regarding the timing*
