

LOVE DALE RESIDENTIAL SCHOOL

(Senior Secondary)

(Affiliated to CBSE New Delhi-Affiliation No. 930448)

Ref: LDR/PRNT-CIRC/36/2025-26

Date: 18/08/2025

Dear Parents,

This is a gentle reminder to the parents to once again check the quantity of food being sent for children and thereby support the school in avoiding wastage of food. We kindly request that you send only the required quantity of food for your child. **To help you better understand your child's appetite and needs during the day, any extra or leftover food will be sent back home.**

This will allow you to adjust the portion sizes accordingly and ensure minimal food wastage.

We kindly request that you **pack only the necessary amount of food for your child's lunch, avoiding excessive quantities that may result in waste.** Ideally, only leftovers such as rice, cooked vegetables, small curry leaves can be disposed in the biogas plant for its effective utilization. In addition, there is a limit to which the biogas plant can be fed in a day. **Your support in this matter is crucial in helping us adhere to the panchayat's guidelines.**

Your understanding and cooperation in this initiative, would help us promote sustainability and responsible waste management practices, which will be good for the community and our children to learn and practice for their future.

As part of our ongoing efforts to reduce waste and promote sustainability, we had already initiated several measures at school. These include:

- Encouraging students to bring their own *reusable steel or plastic cups to school for beverages like tea.*
- Discouraging the use of banana leaves and paper for wrapping lunches, and instead promoting the *use of lunch boxes.*
- Encouraging students to *wrap their lunches in reusable towels or cloth wraps.*

These initiatives aim to minimize waste, reduce our environmental footprint, and cultivate eco-friendly habits among our students.

Let's join hands to empower our children to become responsible, environmentally conscious, and compassionate citizens of tomorrow.
