29.06.2026

Dear Parents,

As part of our Little Blossom Day Celebration, we are delighted to organize a special Parent Activity on 2nd July 2026 (Thursday).

This activity is designed to strengthen the bond between parents and children, and to create joyful learning experiences together. We warmly invite all parents to participate and make this event memorable for our little blossoms.

Thank you,
Dr. Annamma George
Principal
