Dear Parents,

To enrich the learning experience of our students and to encourage reading habits, critical thinking, awareness, and a deeper understanding of real-world concepts, the school is facilitating subscriptions to reputed educational publications from The Hindu Group for the Academic Year 2026–27.

These publications are designed to complement classroom learning by providing age-appropriate content, current affairs, general knowledge, and thought-provoking articles that help students develop a lifelong interest in reading and broaden their perspectives.

The details of the available subscriptions are as follows:

Publication	Grades	Frequency	Subscription Fee (₹)
Young World	I to V	All Fridays	360.00
The Hindu in School (THiS)	VI to XII	Monday to Friday	560.00
Teen Digest	VI to XII	All Sundays	800.00

Parents who wish to subscribe may send the required subscription amount to the class teacher on or before 25 June, 2026.

The subscription is optional; however, parents are encouraged to avail this opportunity as regular reading of such publications supports students in improving vocabulary, awareness, comprehension skills, and overall academic and personal growth.

Thank you for your continued support and cooperation.

Dr. Annamma George
Principal
