

THE LOVE DALE

"If your actions inspire others to dream more, learn more, do more and become more, you are a leader." – John Quincy Adams

Editor's Note

Dear Love Dale Newsletter Readers,

As we embrace the changing seasons, we reflect on the tremendous events that have painted our school with vibrancy and creativity throughout the months of August, September, and October. Our journey has been nothing short of extraordinary, filled with moments that define the essence of Love Dale.

In August, the vibrant extravaganza "Colourburst: Arts Fest" concluded with joy and creativity, followed by heartwarming Independence Day events and adorable Onam celebrations at the K.G & Secondary Sections. The Sahodaya Participants & State Level Rifle Shooting Championship added a unique touch to our experiences.

Moving into September, the enthusiasm of Teachers' Day and Hindi Divas resonated through our school, complemented by an enlightening Narayana Awareness Session for our students. Balamithra's Special Awareness Session for Parents, along with the Coconut Day Special Assembly & Exhibition and a lively Mehendi Competition, made the month truly memorable.

As October unfolded, we honored Gandhi Jayanti with reverence, paving the way for students' future endeavors with a Career Guidance Class. The Mystery Dome Event sparked curiosity, and the Ozone Assembly raised environmental awareness. Celebrating World Post Day, Fruits Salad Day, and hosting the Housewise Short Films Competition showcased the diverse talents within our school.

Thank you for being the heartbeat of Love Dale! Let's keep the spirit alive – learning, creating, and uniting as one!

With warm regards,
Pranav Mohan Das
